- HTML & CSS

Profile

I am a self-taught UI/UX Designer who is eager to learn and implement the desired ideas. My strengths are able to think out of the box to find solution for the problem and can manage the work in my own way.

Experience

System Engineer

Infosys

- I was a part of Retail Market Technology Support team and handled various tasks related to database.
- Creating jira tickets and solving them.
- Working with github for minor code changes for the given issue.
